KEHP's Administration Manual has been updated. This manual is the tool for understanding qualifying events and deadlines along with internal DEI policies. The Table of Contents has a blue asterisk, if any pertinent updates have been made within the chapter. And, within the chapter itself, you will find a blue symbol next to updated or new information.

[Click here](#) to see the revised version, and [Click here](#) to see a training presentation on the changes. We hope this will help you stay current with our policy and administration changes.

If necessary, updates and/or revisions to the Administrative Manual will be provided every quarter. We welcome your comments and suggestions to improve the document and request that you email donnaM.cordier@ky.gov for any suggestions you may have.
